PUC Approves Conversion of Existing KIUC Interim Rates to Final Rates

*Līhu'e, Kaua'i, HI - 9/10/10* – In a Decision and Order issued yesterday, the Public Utilities Commission (PUC) approved as final the interim rates currently in affect for Kaua'i Island Utility Cooperative (KIUC) ratepayers. KIUC began charging the new interim rates on May 26 of this year.

After PUC's review of the details of KIUC's rate increase request, the PUC issued the final decision, which required no further adjustments to the interim rates currently being charged.
