

# Hey, Do We Have Your Money?

Every year, KIUC publishes a list of members to whom we owe a patronage capital refund. Patronage capital is the money KIUC has left after paying all of its expenses in a given year. At the end of the year, that money is credited to each member's patronage capital account, according to the amount paid for electricity used.

In past years, KIUC issued checks to members, so it's possible some of those on the list simply forgot to cash the check or accidentally threw it away.

If your name appears on the list, you must apply for a refund. Please complete the refund form below and provide a copy of picture ID as proof the person requesting the refund is the same as the account holder.

You can mail in the form or bring it in to our office. If you need additional forms, download one from our website at [www.kiuc.coop](http://www.kiuc.coop). If you have questions about patronage capital, please call 246.4300.

Please allow 45 business days for us to process your request.
